Brittenford Systems Recognized as Top Reseller in 2012

Reston, VA – July 31, 2012 – A July 2012 special report from ACCOUNTING TODAY entitled the VAR 100 recognized Reston, VA-based Brittenford Systems as one of the top accounting technology value-added resellers (VAR) in North America.

The annual VAR 100 report recognizes the top accounting and ERP software resellers in North America by virtue of revenue ranking. The report also provides information on employees and product offerings. Brittenford Systems ranked 84th, up five positions from the 2011 VAR 100 report.

The special report also identifies industry trends including significant increases in cloud technology, both accounting and ERP. In 2012, 35% of VARs now carry cloud solutions, up from 18% in 2011, and only 5% in 2010.

"Brittenford is proud to be recognized again for being a top VAR in North America," states Shereen Mahoney, CEO of Brittenford Systems. "Like many of the other top VARS, Brittenford is evolving our product offering to meet the needs of our valued clients for both on-premise and cloud technologies."
