Non-Profit 2013 Financial Outlook, Reporting, & Systems Survey Report Available

Reston, VA – December 14, 2012 – A new survey report entitled **Non-Profit 2013 Financial Outlook, Reporting, & Systems** reveals the results of a September 2012 survey of non-profit organizations and associations in the Washington, DC region.

The survey, conducted by Brittenford Systems and Veris Consulting, provides non-profit executives and boards with valuable insights on the financial outlook and the top priorities and challenges facing nonprofits in 2013.

The survey report has detailed summaries and graphs on these aspects including financial and business outlook, financial reporting practices, and financial systems.

“2013 will likely require non-profits to rethink revenue model and income strategies, while improving strategic planning and program results,” states Shereen Mahoney, CEO of Brittenford Systems.
